JENNIE EDMUNDSON ONGOING NEED

Caring Coworkers Fund (formerly Employee Crisis Connection), emergency assistance for employees facing financial hardship.

"At the time that I received support, I was going through some deeply personal situations that left me facing the reality that I might lose my home. Caring Coworkers Fund stepped in and helped. It was more than that though, it was allowing me and my family to still maintain our foundation. For them and the program I am truly grateful."

Important notes: Any PTO donations made in 2024 are irrevocable and cannot be withdrawn or changed, per federal regulations. PTO donations are subject to the PTO sellback taxation rate (40% by IRS rule). The net proceeds become your gift to the Foundation.
