

The need is clear. The time is now.

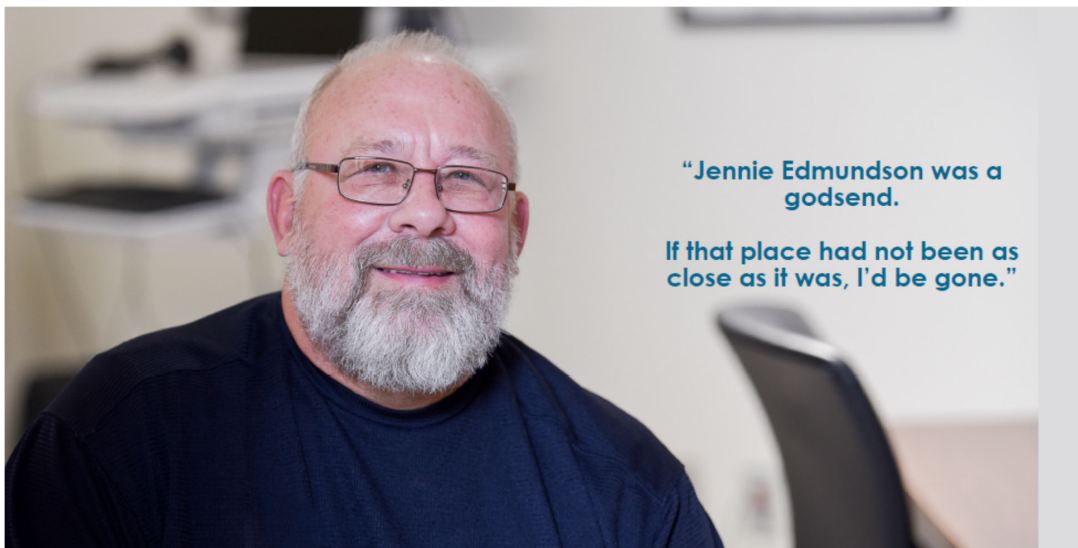

Project Fundraising Goal:

Philanthropic support is key to continuing high-quality, compassionate care for our community.

The Jennie Edmundson Foundation is raising up to \$3 million for this critically needed transformation. Methodist Jennie Edmundson Hospital is providing the remainder of the estimated cost of \$ 6 million.

The Foundation board recognizes the need for top-notch care and has embraced the effort to bring a new state-of-the-art Cardiovascular Suite to Methodist Jennie Edmundson Hospital.

At Methodist Jennie Edmundson, you can be confident that top-quality medical care is available for everyone. With your steadfast support and confidence in our ability to direct gifts wisely, we can continue to evolve and improve our healthcare services without compromise. Join us in making a difference to ensure everyone has access to the exceptional medical care they deserve.
