

2016 Honorees

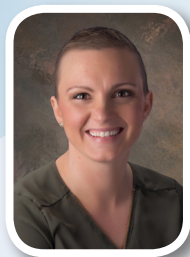

Teresa Benson

God has a perfect plan and good things will come out of this. Just like the line says from my favorite song, "Just Be Held" by Casting Crowns...*my life isn't falling apart, it's falling into place.*

Karen Hansen

"What gives me the most hope every day is God's grace; knowing that His grace is going to give me strength for whatever I face, knowing that nothing is a surprise to God."

- Rick Warren

Amber Williams

I thank God every day for my life. I've definitely had my share of obstacles, but who hasn't? I have always been able to pull through with the help of my family and friends. I am blessed with the best!

Jenji Knudsen-Bergsten
Lifetime Achievement

Cancer is a disease that can test the faith of anyone who is faced with it — Jennifer's faith never wavered. She was strong in her determination and accepted the outcome with the assurance of Heaven with the grace of those who truly believe. It would be her hope that we would all continue to work to find a cure.

Celebrity Weekend

A benefit to help the Methodist Jennie Edmundson Hospital Cancer Center Charitable Patient Care Fund

"Thank you so much for the assistance in paying my medical bills. Throughout my entire journey, everyone at Jennie was wonderful! When I started canceling appointments, the nurses reached out to help. I will never forget the excellent medical care and compassion in my time of need."

- Dawn, MJEH Cancer Center Patient

"I am so grateful for everything you have done for me and my family. It has been a rough year, but Jennie Edmundson employees were kind and helpful. The gift cards for gas and food were a huge help and I can't thank you enough!"

- Bailey, MJEH Breast Cancer Patient

Charitable Patient Care Fund

The Spirit of Courage Celebrity Weekend is an annual fundraising event sponsored by the Jennie Edmundson Foundation with support from Council Bluffs, Omaha and Southwest Iowa communities. Monies raised during the event are used to assist MJEH cancer patients with expenses during their cancer treatment.
