

JULY

Volunteer of the Month

Gary Paulsen

The Jennie Edmundson Hospital Volunteer of the Month for July is Gary Paulsen. Gary has been a volunteer for almost twenty (20) years. He got his start here when he helped a friend buy pop for the gift shop, a duty he still does to this day.

You will see Gary in several areas of the hospital and helping at events. His main duty has been buying and delivering the beverages for the gift shop, but he also volunteers at the west lobby desk when his wife needs his help. Gary has been a veteran golf caddie at the Spirit of Courage event and is a huge help to the Foundation girls when it comes time to load auction items for the Gala.

Gary really likes being around people and gets a good feeling when he is able to be of help. He says he'll do it as long as he can.

Gary and his wife spend time at their lake house in Missouri throughout the summer and spend the winter in Texas. He enjoys being with their kids and grandkids. Recently he became grandpa again to new twin great-grandsons!.

Congratulations Gary, thank you for your volunteer services!
