## Ankur & Kavita Sarawagi

We're starting out our 2026 Volunteer of the Month with a mother and son team who began their volunteer career in 2017 in the Gift Shop. Kavita and Ankur say that it gives them immense satisfaction to serve people, teaches them to become more motivated and responsible, and the gift shop experiences help a great deal in their personal growth.

Kavita wanted to do something new that would get her out of the house but still be productive after her kids were grown when a family member suggested volunteering at a hospital. She loves meeting and visiting with new people, it keeps her mind working. Since English is her second language she enjoys being able to practice it all the time when volunteering, everyone is so patient and kind. When she isn't volunteering, she enjoys cooking, painting and shopping – she loves a good deal!

Ankur became interested in volunteering after his mom started doing it. He wanted a way to keep busy and spend more time with her. He likes having a routine while volunteering like checking inventory and putting away the shipments and getting to meet new people. When Ankur isn't volunteering, he works Tuesday-Friday at Hy-Vee and recently won their "Spirit of Hy-Vee" award. When he has time off, he likes eating new foods and trying new recipes. He also enjoys watching TV and doing Jigsaw puzzles.

Both Kavita and Ankur have the same favorite experience in the gift shop. They love when someone calls to order flowers or gifts to be delivered – they enjoy being able to deliver the order or if someone comes to pick it up – seeing the hope and brightness it brings them!

Stop by the Gift Shop, help practice some English and browse the gift items. Kavita will help you find a good deal!
