

Volunteer of the Month

Carolyn Schmidt

We are proud to recognize Carolyn Schmidt as our May Volunteer of the Month! Carolyn began volunteering with us in October 2015 after retiring, looking for a meaningful way to stay active, keep busy, and connect with others. Since then, she has become a valued and familiar presence, always ready to lend a helping hand or offer a kind word to those who may need reassurance.

Born right here at Jennie Edmundson Hospital, Carolyn has a special connection to our organization. In fact, she shares, "I am partial to Jennie because they saved my life 18 years ago." Her dedication runs even deeper, as her daughter, Cecilia Copperstone, has been part of the Jennie Edmundson family in Radiology for more than 30 years.

Carolyn's own connection to the hospital began years ago—her first full-time job in 1965 was here as a transporter in Radiology. She fondly recalls being reprimanded for pushing a cart a little too fast, a memory that still brings a smile today.

Outside of volunteering, Carolyn enjoys time with her husband, Don, their six children, and ten grandchildren—especially cheering at ball games. They also love car vacations and cross-country trips. Carolyn stays active in her community through Corpus Christi Parish, where she serves with the Altar & Rosary Society and Social Concerns, helping beautify the grounds. She also enjoys gardening at home.

Carolyn says her favorite part of volunteering is the friendships she's made along the way. Her warmth, compassion, and willingness to help others truly embody the spirit of volunteerism.

Thank you, Carolyn, for your years of service and the positive impact you make every day!
