

Volunteer of the Month

Tammy Jensen

Meet Tammy Jensen, a familiar and friendly face who loves making a difference at Jennie Edmundson Hospital!

After retiring, Tammy was looking for something meaningful to fill her time and help others. Having previously volunteered in another hospital gift shop, she knew volunteering was a great fit—and she was right!

What she enjoys most is meeting people, especially the employees, and being part of the hospital community.

When Tammy isn't volunteering, she stays busy enjoying time with her grandchildren, gardening and simply relaxing. She loves making stuffed animals for her grandkids and estimates she has made more than 50 so far! Her garden also provides plenty of inspiration for the kitchen, where she turns her homegrown tomatoes into delicious salsa and spaghetti sauce.

Tammy's commitment to staying active is another fun fact about her. She tries to make it to CrossFit three to four times a week to stay healthy, keep in shape and, most importantly, keep up with her grandkids!

One of Tammy's favorite volunteer activities is helping at the Spirit of Courage Golf Tournament, where she enjoys checking in golfers and selling mulligans. Her cheerful personality and willingness to lend a hand make her a wonderful part of our volunteer team.

Thank you, Tammy, for sharing your time, energy and kindness with Jennie Edmundson Hospital! We're so glad you're part of our volunteer family!
