

Volunteer of the Month

Emmy has been a dedicated gift shop volunteer since March 2024, and she has truly embraced the experience. She can hardly walk past the gift without her wanting to help—or finding something she simply *needs* to buy!

Emmy loves meeting and greeting employees and visitors and especially enjoys working alongside the other volunteers who have become dear friends. Her favorite part of volunteering is, without a doubt, the terrific and amazing people

she has met at Jennie Edmundson. She is proud and happy to be part of the team and to have an opportunity to make a difference in the lives of others.

It is especially meaningful that Emmy is being honored during October, Breast Cancer Awareness Month. In July 2025, Emmy was diagnosed with triple-negative invasive ductal carcinoma breast cancer. During her journey, she experienced compassionate care and support from Jennie Edmundson and Nebraska Cancer Specialists, along with the love and encouragement of her family, friends, and Wings of Hope.

Today, Emmy is proud and grateful to say that she is cancer free!

Through her experience, Emmy has found even greater appreciation for the community around her. Volunteering has been a rewarding part of her journey, giving her the opportunity to help others, make a difference, and enjoy the time she spends with the wonderful people around her.

When Emmy isn't volunteering, you may find her playing American Mahjong—and she will happily tell you she is a *Mahjong freak!* She also enjoys golfing, reading and quilting but most of all, spending time with her family and friends.

Emmy, thank you for sharing your time, energy, kindness, and infectious enthusiasm with Jennie Edmundson. Your positive spirit and willingness to help make a difference every day.

We are grateful to have you on our team, Emmy!
