

# Thank You HEALTHCARE HEROES

Your gift, no matter the amount,  
sends an important message:  
We ♥ Methodist!

**GREATEST  
NEED**

## WOMEN'S SERVICES CENTER

Methodist Jennie Edmundson Hospital is expanding and renovating the 5th Floor to create a state-of-the-art Women's Services Center. The Women's Services Center is staffed with the highest skilled and very best clinicians to give our mothers and new babies the most extraordinary care. Your support is critical to finishing the Women's Services Center. We are leading a \$1M campaign to finish equipping the Center with the final pieces, technology, and equipment.

Gifts at any level will help us fulfill some of the items on our "wish list":

- \$1,000** – Provides Piece of Furniture for the Family Waiting Room
- \$500** – Creates a Space in Patient Room for Partner to Rest
- \$250** – Provides a Rocker or Recliner for Patient Room
- \$100** – Supplies Bedding for Patient Room
- \$25** – Receiving Blankets for New Baby

**YOUR DONATION WILL HELP  
US PROVIDE THE VERY BEST  
FACILITY FOR OUR FAMILIES  
AND HELP US MAKE THIS  
PROJECT A SUCCESS!**

### Paid Time Off (PTO) Hours *(Deducted in February 2021)*

You have the option to donate PTO as a contribution to the Caring Campaign! PTO hours are converted to cash, taxes are subtracted, and the balance is a gift to benefit the program of your choice. These hours will come from future accruals during 2021 and will be deducted in May, with any remaining hours in your donation to be deducted on the year's remaining PTO sellback dates.

**Important Notes:** Any PTO donations made in 2021 are irrevocable and cannot be withdrawn or changed, per federal regulations. PTO donations are subject to the PTO Sellback taxation rate (40% by IRS rule), and the net proceeds become your gift to the Foundation.
